

Students at Rivers Academy achieve best ever examination results Summer 2019

Students, families and staff celebrated Rivers Academy's best ever results this week, continuing the yearly upward trend of results. This week's successes follow Rivers Year 13 students celebrating their results and securing places in their choice of university, apprenticeship or employment.

Staff were delighted to share the Academy's best ever results with students and families on Thursday 22nd August 2019. Children achieved incredible personal bests during the examination period, supported by determined staff throughout their studies at Rivers Academy thereby ensuring that they have the very best life chances.

As Year 11 students collected their results and enrolled in Post 16 courses at the Academy, they were clearly delighted and excited about their next steps. Year 11 students joining Rivers Academy at Post 16 will benefit from a staff team who are committed to supporting them in achieving similar successes in their Post 16 results in two years' time.

Principal Andria Singlehurst congratulates students and staff, "We are all so proud of our Year 11 students and are thrilled to be sharing such exceptional results with them and their families. Students have worked so hard with our dedicated staff to achieve their personal best in their examinations. Such impressive results are thanks to the resilience and resolve of all Rivers Academy's talented teaching and support staff who understand that these achievements allow our students to follow the path of their choice. We wish the very best to this cohort of dynamic and inspiring young people as they progress to their next steps. They should look forward to their future destinations with pride and confidence. We look forward to welcoming so many of them to Post 16 study with us in September."

Rivers Academy is known for its very highest expectations of students across all areas. This includes exemplary attitudes toward learning and other members of the community, immaculate uniform and high attendance. This simple but consistent recipe for success applied by all staff has ensured that students at all levels have achieved the most remarkable results this summer.

Students' outcomes this year pay tremendous testament to the hard work and commitment of a whole team of staff and a whole body of students. Students at Rivers Academy receive the highest quality education that stands them in great stead to achieve their dreams.
