

Easter intervention 2025

Dear Parents,

As your child approaches the final stage of their secondary education, I am pleased to announce the Easter intervention timetable for both the Year 11 cohort and Post-16 students.

We encourage you to support your child in making the right decisions and taking advantage of the support offered during this important time in their academic journey.

Should you have any questions, please do not hesitate to reach out to me.

E Myton
